

Growing Up WILD™

An educator's workshop for those who work with children ages 3 – 7! 8:30 – 12:30, Saturday October 17, \$25.00 Audubon Zoo

Facilitators workshop, 1:30 – 4:00. (Free) Educators who complete both workshops will become eligible to conduct their own Growing up WILD workshops.

Developed by the Council for Environmental Education for children from ages 3 – 7 Growing Up Wild features an activity book with 27 field tested, hands-on developmentally appropriate activities for that involve social, emotional, physical, language and cognitive domains to help foster learning and development.

Correlated to National Association for Education of Young Children (NAEYC) Standards and Head Start domains, Growing up Wild builds on children's sense of wonder about nature and invites them to explore wildlife and the world around them. For more information on Growing Up WILD visit the council for Environmental Education at www.projectwild.org/growingupwild.htm .
